THE RIGHT MARKET

Lithium demand is expected to double by 2024

THE RIGHT ADDRESS

In regionally strong areas for growth and exploration

THE RIGHT PEOPLE

Backed by a successful track record on global resource projects

MEET LITHIUM:

A soft and lightweight metal that's changing the world.

\$75.03 BILLION USD

Global lithium-ion battery market size in 2020

23.3% CAGR

Projected compound annual growth rate from 2021 to 2028

\$193.13 BILLION USD

Projected market size by 2028

10%

OF PASSENGER VEHICLES ARE FORECASTED TO BE POWERED BY LITHIUM-ION BATTERIES GLOBALLY BY 2025

27%

OF PASSENGER VEHICLES ARE FORECASTED TO BE POWERED BY LITHIUM-ION BATTERIES GLOBALLY BY 2030

58%

EXPECTED LITHIUM-ION BATTERY PENETRATION BY 2050 IF THE GROWTH TREND CONTINUES

The global lithium market is growing fast as EV demand surges

THE FUTURE STARTS HERE

With multiple projects in North America, ACME is poised to power the energy revolution and growth of a domestic lithium supply chain in the United States.

NEVADA

CLAYTON VALLEY
100% interest in 122 claims owned and under option to acquire, totaling 2,440 acres

FISH LAKE VALLEY
100% interest in 144 lode mining claims owned, totaling approximately 2,975 acres

MANITOBA

SHATFORD LAKE
100% interest in 21 claims owned, totaling 8,883 acres

CAT-EUCLID LAKE
100% interest in 6 claims owned, totaling 2,930 acres

FINANCING THE FUTURE

well funded with approximately \$12M in working capital which includes strategic investor Lithium Royalty Corporation and Waratah Capital Advisors Ltd.

GEOLOGICAL TARGETS READY TO DRILL TEST

in extensive lithium acreage with proximity to industry leaders

EXPERIENCED MANAGEMENT TEAM

who have built and financed resource companies around the world

CAPITALIZED TO ACQUIRE ACCRETIVE PROJECTS

in the lithium sector and growing EV space

EPICENTER OF LITHIUM EXPLORATION AND DEVELOPMENT

with multiple North American projects focused on known regions for development

MULTIBILLION DOLLAR OPPORTUNITY

in the growing battery and electric vehicle sectors
